

STORM ASSIST

Sponsorship Opportunities

Storm Assist encourages sponsorships from businesses, organizations, and individuals. Sponsorships will go towards operating costs for the organization and also directly benefits victims of natural disasters, when there are left over funds from operating costs. It is our goal to be as transparent with financial information as possible so you'll be able to see where your sponsorship donation is going.

Do you have items and merchandise you'd like to give Storm Assist for contests, promotions, and giveaways? Storm Assist will mention your name or company on all promotions where your merchandise is given away along with a link to the product(s) you are donating on your website.
